## ABOUT ME

Seeking a challenging role in web development where I can utilize my 3 years of experience and strong skills in Bootstrap, Python, C, and C++ to contribute to the success of the company.

Experience: Web Developer [Duration:01-2018 - 02, 2023]

1. Developed responsive and user-friendly web applications using Bootstrap.
2. Collaborated with cross-functional teams to identify and resolve technical issues.
3. Ensured high-quality and efficient code by conducting thorough testing and debugging.

Skills:

1. Proficient in Bootstrap for developing responsive and modern web applications.
2. Strong knowledge of Python for developing scalable and efficient web solutions.
3. Experience in C and C++ for developing high-performance and secure software applications.
4. Solid understanding of web development frameworks, such as Django and Flask.
5. Excellent problem-solving and analytical skills to identify and resolve technical issues.

Education: Bachelor of Science in Computer Science,UCP [Duration: 2019 - 2023]

1. Completed coursework in data structures, algorithms, software engineering, and web development.
2. Participated in various coding competitions and hackathons to enhance coding skills.

Certifications:

1. Certified Bootstrap Developer (Arfa Kareem Tower, Lahore )
2. Certified Python Developer (Arfa Kareem Tower, Lahore)

Peace.
